Green Summer Programs have been a part of The Woodlands Community for over thirty-years. A fun environment for the athlete as well as the instructor makes for a better learning opportunity for each participant.

Since 1976 Woodlands High School has won Nineteen cross country state championships as well as one track and field state championship. TWHS has also won TWENTY-FOUR regional titles and TWENTY-NINE district titles. The track and field teams have been ranked number one in the nation in the high school power ratings in 1997, 1998, 1999 and 2000 before being discontinued in 2001. A new power ranking system was established in 2009 in which TWHS finished 3rd in the nation and 9th in the nation in 2010. TWHS continues to be one of the topped ranked Cross Country and Track & Field programs in the nation. The 2016—2017 year was an exceptional year in which TWHS won both State Championships in Cross Country and Track & Field.
